

Racing with electric cars teams manage their energy and collect points for two championships.

Drivers' World Championship Teams' World Championship
16 Rounds | 11 Weekends Race to a set number of laps

Formula E aims to promote and advance sustainability through electric racing. Tracks are temporarily set up in city centres, bringing the action to the spectators.

Attack Mode | additional power deployed after driving through a designated area of the track off the racing line

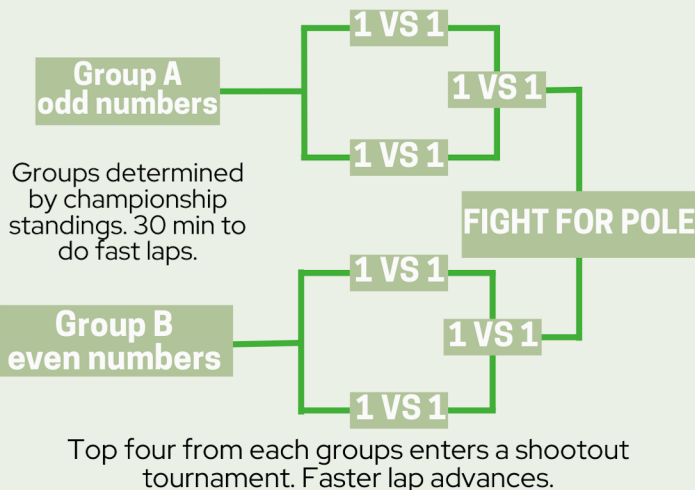

Attack Charge | mandatory 30s stop in the pits to rapid charge, unlocks two enhanced attack modes, being trialed at select races

Flags

- Green** | safe track, race on
- Yellow** | hazard trackside, double for more serious incidents
- Blue** | slower car must move aside
- Red** | session suspended, return to pit lane
